

# Club Gear, Teamwear, Sports & Leisurewear - How to Order

## Teamwear how it works

From initial setup, to ordering and delivery, we handle everything so you don't have to... Taking the stress out of club orders for everyone!

## Our Process

As a family-run business, we take pride in our personal approach and exceptional customer service. Our process is simple:

1. **Initial Consultation:** We'll discuss your club's requirements to ensure you get the perfect solution. Choose products in your club colours, add your crest, and members can personalise their gear with initials.
2. **Package Deals:** Together we'll create the best package deals for your club, tailored to your specific needs.
3. **Club Shop Creation:** Once decisions are made, we'll set up a dedicated shop on our website featuring all your club's products. This shop will be open for a set period, during which members can place orders.
4. **Delivery:** After the shop closes, orders will be delivered within 8 weeks.

## Our Mission

Our mission is to provide top-quality sports gear at affordable prices while ensuring an exceptional customer experience. We strive to make the entire process hassle-free and enjoyable for you.
